08113601676 | erinbs.ebs@gmail.com | linkedin.com/in/erinbellvani | https://erin-portfolio-web.vercel.app

Trenggalek, Indonesia

Graduate of Informatics from Universitas Muhammadiyah Malang with a background in web development, UI/UX design, and digital marketing. Experienced in building web applications and creating user interfaces through academic projects and bootcamp activities, with proficiency in React.js, HTML, CSS, JavaScript, Figma, and Laravel. Currently seeking opportunities to apply and grow these skills in a dynamic, innovation-driven setting.

Work Experience

PT. Talenta Sinergi Group - Yogyakarta, Indonesia

Aug 2022 - Dec 2022

Front-End Programmer

- Developed a forum website using React.js, implementing search, filter, tag, and user profile features to enhance user interaction.
- Deployed a mentor dashboard with a drag-and-drop interface, improving efficiency in curriculum management and assignment tracking.
- Created a Stack Overflow-like submission form and question detail page, and built a content management system using React.js, streamlining mentor material editing processes.

Boosternesia - Kolaka, Indonesia

Sep 2021 - Dec 2021

Web Developer and Digital Marketing Staff

- Revamped the Boosternesia website using HTML, CSS, Bootstrap, and JavaScript, significantly enhancing website appearance and performance.
- Optimized the website design for mobile, tablet, and desktop devices, improving accessibility and user engagement.
- Redesigned the web interface with a more intuitive layout, resulting in a better user experience and increased user satisfaction.
